District Days Coordination: Los Angeles County

This regional coordination form is designed to assist in coordinating a district office visit for District Days and give background information on your legislator. To use this form, simply find your county across the top and determine which legislators represent your county. For those legislators who you plan to meet with, look at the other counties they represent (that may include counties outside this region) to determine what other LLAs and county coalitions you may need to coordinate with for a district visit. This regional coordination form is for Los Angeles County.
